

Uy' skweyul Ladysmith Secondary Students and Families,

Happy Friday. Please see below for some important updates and information.

Course Selection

It's February, which means we have officially begun planning for the 2026-27 school year. This week, all students should have participated in course selection. Students provided counsellors with a paper copy of their selections. The choices they make will help us to create a timetable for next year that will best meet the needs of all students. Please note that Course Catalogs are available on the school website. If you have any specific questions about program planning or course selection, please reach out to your student's counsellor directly.

Report Cards

On Wednesday February 4th, report cards were released on the MyEd portal and a paper copy was handed out to all students. Please connect with the office at info.ls@sd68.bc.ca if you are having trouble accessing your student's report card.

Unregistered School Bus Riders

Please be advised that students who are not registered to ride the school bus are not permitted to ride home with a friend unless a prior written request has been submitted to the Transportation Department by the parent or guardian of the unregistered child.

All requests must be emailed to the Transportation Department before the end of the school day at: transportation@sd68.bc.ca

Unfortunately, without written approval, we cannot allow unregistered students onto the bus, and they will need to remain at the school for pickup. We appreciate your understanding and support in helping us ensure the safety of all students.

Toilet Paper Drive

It's the time of year again, TOONIES FOR TOILET PAPER DRIVE! We are again, collecting funds to donate to the Ladysmith Resources Centre to fill their shelves with toilet paper to give to those in need in the community. Last year we were able to donate 700 rolls of toilet paper and they were able to purchase 4000 rolls in total with the funds that they raised from various donors. The fundraiser will run Feb 2nd – Feb 27th in B Block classes. There will be several prize draws to encourage participation.

Upcoming Dates

A friendly reminder to all students and families that this coming Monday is a Professional Development Day, and school will not be in session for students. Additionally, Monday February 16th is Family Day and school will also not be in session.

Thanks kindly and hay cep' qa,

Shelley Gvojich & Alistair King
