

Uy' skweyul Ladysmith Secondary Students and Families

As we enter the last week of school before spring break, we want to acknowledge the hard work of our school community. Over the month of February, our Student's Council participated in a Toilet Paper drive in partnership with the Arts Council where toilet paper was collected to support our community. Many thanks to all who organized and participated.

Next week, grade 10 students will be participating in a graduated licensing presentation through ICBC. It is also suggested informal learning update week, which means you should be hearing (at some point in the next few weeks if you haven't already) from your student's semester 2 teacher about their progress. As always, please reach out directly to your student's teacher with any questions or concerns.

Last night was our second semester Parent-Teacher night. It was so nice to connect with families and see everyone who was able to make it. As always, if you were unable to attend or have questions or concerns, please connect directly with your student's teacher.

Thanks kindly and hay cep' qa,

Shelley Gvojich & Alistair King
